**Term Paper: Sustainable Development and Energy ...**

Afgan, Naim, and Maria Da Graca Carvalho. New and Renewable Energy Technologies for Sustainable Development: Proceedings of the Conference on New and Renewable Energy Technologies for Sustainable June 2002, Ponta Delgada, Azores, Portugal. A A Balkema Publishing, 2004.

**Renewable energy - Wikipedia**

Renewable energy is energy that is collected from renewable resources, which are naturally replenished on a human timescale, such as sunlight, wind, rain, tides, waves, and geothermal heat. Renewable energy often provides energy in four important areas: electricity generation, air and water heating/cooling, transportation, and rural (off-grid
