A Friar's Bloodfeud (Knights Templar, #20) by Michael Jecks

A Friar's Bloodfeud is yet another splendid addition to this vast and enjoyable mystery series. It is hard to believe that this is the 20th book in the series and I haven't even caught up with the latest one yet! The Knights Templar mysteries have been a favourite of mine since I first read *The Last Templar*, the first book in this highly addictive series. For me the characters are the greatest.
