[Advocacy And Social Work Practice | Download eBook pdf ...](#)

Advocacy Practice for Social Justice shows that rather than being an ancillary or subordinate practice within an existing social work practice, the process of advocating is composed of basic steps familiar to all social workers in generalist practice. Successful advocacy begins with establishing a relationship with the client, continues with the creation and implementation of a plan of action.

1. Advocacy's Place Within Social Work Practice

Social work advocacy is the exclusive and mutual representation of clients or a cause in a forum attempting to systematically influence decision making in an unjust or unresponsive system.

Why social advocacy - SlideShare

Social Advocacy One of the mandates of social work is to advance the interests of social justice, particularly on behalf of populations or groups that have been disadvantaged, disempowered, or discriminated against. Social advocacy can help us to influence social policy (including governmental decision-makers) for the purposes of advancing social justice.
