Against The Romance Of Community by Miranda Joseph

Community is almost always invoked as an unequivocal good, an indicator of a high quality of life, caring, selflessness, belonging. Into this common portrayal, Against the Romance of Community introduces an uncommon note of caution, a penetrating, sorely needed sense of what, precisely, we are doing when we call upon this ideal.

Miranda Joseph explores sites where the ideal of

community relentlessly recurs, from debates over art and culture in the popular media, to the discourses and practices of nonprofit and nongovernmental organizations. She shows how community legitimates the social hierarchies of gender, race, nation, and sexuality that capitalism implicitly requires.
