Assuming the Burden is an eloquent illustration of how elites, operating outside public scrutiny, make decisions with enormous repercussions for decades to come. Excerpt This book, undertaken during one momentous transitional phase in international affairs, looks backward to another:

Mark Atwood Lawrence, Assuming the Burden: Europe and the ...

For all its insightful qualities, Assuming the Burden still

disappoints in places. For example, Lawrence's account of the construction of the Bao Dai solution is incomplete. If it is true that France's scheme depended on winning American and British support, the plan also hinged critically on Vietnamese participation, especially on the recruitment of Vietnam's myriad non-Communist

Assuming The Burden - Foreword Reviews

Assuming The Burden: The traditional explanation that America was drawn inevitably into the Vietnam quagmire because it was a critical front in the cold war between the United States and the Soviet Union is challenged convincingly in these two important scholarly
