Castes of Mind: Colonialism and the Making of Modern India ...

Nicholas Dirks argues that caste is, in fact, neither an unchanged survival of ancient India nor a single system that reflects a core cultural value. In academic and common parlance alike, caste has become a central symbol for India, marking it as fundamentally different from other places while expressing its essence.

"Massively documented and brilliantly argued, Castes of Mind is a study in true contrapuntal interpretation. Nicholas Dirks is a subtle unraveler of the dense, many-layered fabric of India's colonial and modern history as

they converge in the idea and practice of caste.
Castes of Mind: Colonialism and the Making of Modern India ...

Nicholas Dirks argues that caste is, in fact, neither an unchanged survival of ancient India nor a single system that reflects a core cultural value. Rather than a basic expression of Indian tradition, caste is a modern phenomenon--the product of a concrete historical encounter between India and British colonial rule. Dirks does not contend that caste was invented by the British. But under

Project MUSE - Castes of Mind: Colonialism and the Making ...

In *Castes of Mind*, Nicholas Dirks presents a meticulous analysis of the historicity of caste in order to counter the pervasive acceptance in social science research of caste (1) as a sign of India's essential religiosity, (2) as proof of its profound incompatibility with modernity, and (3) as generally fundamental to Indian civilization.
