With this recent work, Colonialism and Modernity, Paul Gillen and Devleena Ghosh produced a handbook mostly

targeting students and the general public. The book addresses such topics as the rise of European powers and the concept of modernity (from 1450 to the aftermath of World War I) and how Western modernity is linked to colonialism. Their opus is divided into two parts, the first **Project MUSE - Colonialism and Modernity (review)**. The chronological span (1450-1989) considered by the authors in the first part (pp. 8-85) is quite wide, enabling the reader to move easily from one period to another, following the intricate links between colonialism and various effects of modernity on societies. The writing style is helpful, precise, and concise, preferring mostly short to medium sentences.
