Julian Baggini, the author of the international bestseller *The Pig That Wants to Be Eaten*, and his fellow founding editor of *The Philosopher's Magazine* Jeremy Stangroom have some thought-provoking questions about your thinking: Is what you believe coherent and consistent, or a jumble of contradictions? If you could design a God, what would He, She, or It be like?

I greatly enjoyed "Do You Think What You Think You Think" on every level. The book is a series of philosophical exercises that delve into your own logic, ethical, spiritual and philosophical beliefs. It does a good job of not saying any one way of thinking is right or wrong, but helps you gain insight into your belief system while pointing out gross contradictions to how you think. **Do You Think What You Think You Think? ebook by Julian ...**
