ROBERT SILVERBERG'S DOWNWARD TO THE EARTH

Silverberg is one of the top names in science fiction, with countless awards, Hugos, Nebulas, etc. Not since the 1980s DC graphic novels have I seen a Silverberg story adapted to comics. And this is a very good, very unusual one. Nearly impossible to describe it's about earth colonizing a distant planet with two species that we exploit, but know little about. Two men are destined to learn
