Fat by Rob Grant - Goodreads Share book ...  
What Grant has created in Fat is a very serious, though humorous, look at image and the way his 3 main characters deal with it. One character actually creates image, another would be happy if not for the way the world sees him, and the last does. The blurb for this book is a little misleading.

Examining clinicians experiences providing sexual health ...

Although barriers related to lesbian, gay, bisexual, transgender and queer (LGBTQ) youth's experiences accessing sexual health services have been examined in detail, research into the experiences and perceptions of clinicians providing these services has been conspicuously absent.
