[Four Warned by Jeffrey Archer - Goodreads](#)  
Four short stories all with a nice little sting in the tale! Writing short stories is a particular art and not one that all novelists can get to grips with; but Jeffrey Archer manages it particularly well.

Comments about Four Warned: The stories in this book have been taken from some of Jeffrey Archer's other short

tales books and as a fan of his I had already read them so that was disappointing as I was under the impression that it was full of new short tales.
