**Handbook of Research on Innovation in Tourism Industries**

The tourism sector already one of the fastest growing industries in the world is currently undergoing extensive change thanks to strong market growth and a transition to more experience-based products.

**Handbook of research on innovation in tourism industries.**

Abstract : This handbook, consisting of 14 chapters, offers original research on innovation within the tourism industry from a number of interdisciplinary and global perspectives. The contributors adapt theories and models drawn from the mainstream innovation literature and supplement them with analytical strategies specific to the tourism industry.

Major themes include forms and sources of
