India: A Wounded Civilization: V. S. Naipaul ...

It is the third volume of a trilogy written by Naipaul on India, the first two being *An Area of Darkness*, and *India: A Wounded Civilization*. It does date back 20 years, and for that reason does not take into account the many developments and changes in India since that time, so if you must have something that reflects today's India in all respects, this may fall short in some ways.
