The Ether Chronicles is a cooperative steampunk venture,  
or is that adventure, between writers (and real-life spouses)  
Zoe Archer and Nico Rosso. The first book in the series,  
Skies of Fire, took place in more traditional steampunk  
territory, assuming there is such a thing as tradition when  
it comes to a genre as new-fangled as steampunk.

Come over over the top you'll have a night of fire You'll  
have a night of fire Welcome to my rocky show Welcome  
to the fire of the night Come on baby let it go Come on  
baby let me stick you tight Not a danger, not a blacky  
stranger Rock it - rock it - knock to my door I'll open
