Open Access to STM Information: Trends, Models, and Strategies for Libraries, edited by Anthi Katsirikou, is a compilation of short papers from the 2010 IFLA Satellite Pre-Conference in Chania, Crete, Greece, loosely on the subject of open access in academic and research libraries. Open access (OA) is an area of increasing interest for academic libraries, given rising journal subscription costs and ethical considerations about double-dipping (requiring libraries to pay for access to research
