Deirdre McNamer has won praise for the intelligence, beauty, precision, and sweep of her fiction. Her first novel in seven years, *Red Rover* tells the story of three Montana men who get swept up in the machinations of World War II and its fateful aftermath. As boys, Aidan and Neil T. A stirring novel.

[Summary and reviews of Red Rover by Deirdre McNamer](#)

An intriguing story is slowly revealed bit by bit in Deirdre McNamer's new novel, *Red Rover*. I found the book compelling to read. Both the vocabulary and sentence structure invited my brain to awaken, take action and to dust off any lingering neuro-cobwebs that have accumulated therein from lack of use.

Inspired by true events, *Red Rover* is the fourth novel by Montana author Deirdre McNamer. With her luxuriantly lyrical prose and her profound knowledge of the human spirit, McNamer uses events from her own family's past to weave a taut drama that celebrates the exuberance of childhood while it sympathizes with the hardships of growing old. With both wisdom and precision.

Deirdre McNamer's first novel in seven years, Red Rover tells the story of three Montana men who get swept up in the machinations of World War II and its fateful aftermath. As boys, Aidan and Neil Tierney ride horseback for miles across unfenced prairie, picturing themselves as gauchos, horsemen of the Argentine pampas. A hundred miles away

Project MUSE - Red Rover by Deirdre McNamer (review)

In lieu of an abstract, here is a brief excerpt of the content:
B o o k R e v i e w s 2 1 3 While the collection feels uneven, McGuane populates his stories with finely wrought portraits of failure, many high functioning, who nevertheless continue to seek out meaningful connections with family, friends, lovers, and their own pasts.
