In Sands of Empire, veteran political journalist and award-winning author Robert W. Merry examines the misguided concepts that have fueled American foreign policy since the end of the Cold War. The emergence in the George W. Bush administration of America as Crusader State, bent on remaking the world in its preferred image, is dangerous and self-defeating, he points out. Moreover, these grand-scale flights of interventionism, regime change, and the use of pre-emptive armed force are without
