Management. Huang founded and runs the China Lab and the India Lab, which aim to help entrepreneurs in those countries improve their management skills.

#### **Project MUSE - Selling China: Foreign Direct Investment ...**

In *Selling China* Huang Yasheng argues that the vast inflow of foreign direct investment (FDI) since 1992 is evidence of significant flaws in the Chinese economy and that the economy has reached a dangerously high level of "FDI dependency," even though domestic savings rates remain high (over 40 percent).
