Mary Grimm was probably my top choice of writing teachers I would have liked to work with, but I chose another program. This is a wonderful collection of stories about normal people leading normal lives, and it's thrilling. [STEALING TIME by Mary Grimm | Kirkus Reviews](#) The stories in *Stealing Time* show Grimm in better form, although her soft endings may well satisfy only herself. Perhaps the best of the lot is the National Magazine Award-winning "We," a true knockout about three young Ohio women, their early marriages, their children, and their first decade as adults; their emotions settle like rust and their expectations lower with new sewing machines. Time preys on the (mostly) female protagonists of these 14 carefully wrought and quietly breathtaking stories, many of which first appeared in the *New Yorker*. Grimm (*Left to Themselves*) catalogues with subtlety the daily acts, petty and precious, that women are consumed by but through which, paradoxically, they fulfill themselves. Gloeful college girls in "Research" gather lists of the "guys" with whom they might lose their virginity, but for the narrator the moment of loss is a lyrical
