Making ...

The First Way of War offers an alternative interpretation of the beginnings of America's military culture and presents the convincing argument that the country's fundamental way of waging war was from the start one of irregular operations, in which civilians and their property were not merely occasional unfortunate and unavoidable "collateral

The First Way of War - Cambridge University Press

The First Way of War This book explores the evolution of early Americans' first ways of making war to show how war waged against enemy noncombatant populations and agricultural resources ultimately defined Americans' military heritage. Grenier explains the significance of Americans' earliest wars with both Indians and Europeans, from the seventeenth-century conflicts with the

Project MUSE - The First Way of War: American War Making ...

In *The First Way of War*, John Grenier, an air force officer and professor at the U.S. Air Force Academy, offers an important addition to the literature on the American way of war by tracing the development of a distinctively American method of warfare back to the frontier conflicts with Indians during the colonial era. He argues that early Americans combined irregular methods with unlimited objectives to create "a military tradition that accepted, legitimized, and encouraged attacks upon and
