the "Transformation of International Relations" is a powerful corrective, demonstrating how and why religion and culture are significant forces world politics that have transformed our understanding of IR theory."

The Global Resurgence Of Religion And The Transformation ...

"The Global Resurgence of Religion and the Transformation of International Relations" not only counts the global resurgence of faith to be authentic but also counts it as integral to public life. Instead of buying into a whole-sale rejection of faith, this book suggests that we need to rethink religion on the basis of the empirical evidence presented to us in globalization.
