The Lights in the Sky Are Stars by Fredric Brown - Goodreads

The Lights In The Sky Are Stars by Fredric Brown is a science fiction drama about one man's obsessive contribution to the future of space exploration, and reminded me of Robert Heinlein's "The Man Who Sold The Moon." Brown's protagonist Max Andrews, however, lobbies to promote a government project to reach Jupiter, and has no scruples about dirty politics to get what he wants, falling in love with a Senator along the way.
