The Palace of Eternity by Bob Shaw I have previously reviewed another of Bob Shaw's books, Night Walk (September 2007). In that review, I said the following: "Shaw is one of my favourite SF authors: from the 1960s until his death in the mid-1990s he wrote 26 novels plus a large number of short stories.

The Palace of Eternity has something of the silliness and seductiveness of a 1950s novel such as Ring Around the Sun. But it has more besides, for Shaw is a better writer than Simak: his characterization is more than adequate, his scientific and engineering speculations are convincing, and above all his images and metaphors are memorable.>>
