democratic theory on the legitimation that deliberation can afford – has any application to Chinese processes of democratization.

*The search for deliberative democracy in China (Book, 2006 ...*

For the first time, *The Search for Deliberative Democracy in China* brings to light the dazzling array of experiments in local democratic governance that is unfolding in contemporary China. This collection treats readers to lively and urgent debates about whether elite deliberation, village assemblies, or deliberative polls hold the greatest promise for political reform in an authentically
