[Shadows of Total War - E-bok - Roger Chickering, Stig Forster](#)

The essays in this collection, the fourth in a series on the problem of total war, examine the inter-war period. They explore the consequences of World War I, the intellectual efforts to analyse this conflict's military significance, the attempts to plan for another general war and several episodes in the 1930s that portended the war that erupted in 1939.
