The great American short story "The Legend of Sleepy Hollow" was written while Washington Irving was living in England, and it was published in England in a volume called The Sketch Book of Geoffrey Crayon, Gent. The Sketch Book was published in installments in the United States beginning in 1819, but the section that included this story was not issued until 1820. Readers on both sides of the

Washington Irving wanted New England to have folklore, and a literary tradition like Scotland and other places in Europe. So, he did what any good romantic with an imagination would do--he made one up. Inspired by the rural New York countryside he had seen in his youth, Washington Irving wrote one of the first American short stories, "The Legend of Sleepy Hollow." Disney released an animated

Washington Irving Biography - life, family, childhood

...

Washington Irving was born and raised in New York City, the youngest of eleven children of a prosperous merchant family. Named after President George Washington (1732-1799), Irving was fascinated by the upper class of New York City and would often sneak out of family prayer meetings to attend the local theatre.
