Heidi Safia Mirza, a black woman sociologist, charts the experience of a group of young black women as they leave school and enter the world of work, and investigates why black women suffer these injustices. She challenges the widely-held myth that young black women underachieve both at school and in the labour market, and provides evidence that goes beyond current notions of black female *Young, Female and Black* by Heidi Safia Mirza - Goodreads

Young black women bear all the hallmarks of a fundamentally unequal society. They do well at school, contribute to society, are good efficient workers yet, as a group they consistently fail to secure the economic status and occupational prestige they deserve.
